CARTE POSTALE. POSTKARTE.

General Post Office, Standard Bank, and Adderley Street. The scene depicts the home of the Post Office in Cape Town with its immediate neighbour, the Standard Bank. The Post Office is built of stone, quarried in the Colony, and is a building of substantial proportions. Its former home was at the foot of Adderley Street, some way nearer the sea than it now lies. On a mail day the locality is a busy scene, crowded with folk waiting for their weekly budget, which keeps them in touch with the Mother Country.
